Skirting around the Summer

The weather may be a little unpredictable this summer but it's still a great time to wear our summer skirts! Skirts are so flattering and comfortable, especially at this time of the year. Whether it's floral, pleats, asymmetrical, denim, mini, maxi or pencil skirts, the shops in Limerick have them all. Dress them up or down for that perfect summer look.

I'm just loving pleated skirts this summer. They are so easy to wear. The great thing is you can carry your winter metallic pleated skirt and pair it with a classic tee and brighter colours for an instant on-trend summer look. Take a look at these different ways to style your pleated skirt:

This super elegant purple skirt and matching top from Limerick designer, Caroline Mitchel, will take you to any summer occasion.
